

What is Nü?

Nü 80's Dance Party is a fully immersive multimedia experience celebrating the music and video of the 1980's. Through live musicians, video screens, interactive hosts and a state-of-the-art light and sound, Nü puts your guests right in the middle of the MTV Generation!

The Music

Nü plays the timeless MTV classics which debuted on August 1st, 1981. Nü takes you through the journey of the "Golden Age" of 80's music with artists like Duran Duran, Prince, INXS, Devo, Def Leppard, Bon Jovi, Elton John, Billy Idol and many more!

The Videos

Nü incorporates giant video screens during the live musical performance that capture the essence of the 80's video generation. Popular 80's movie clips, music videos, cultural icons and animation all complete the immersive experience!

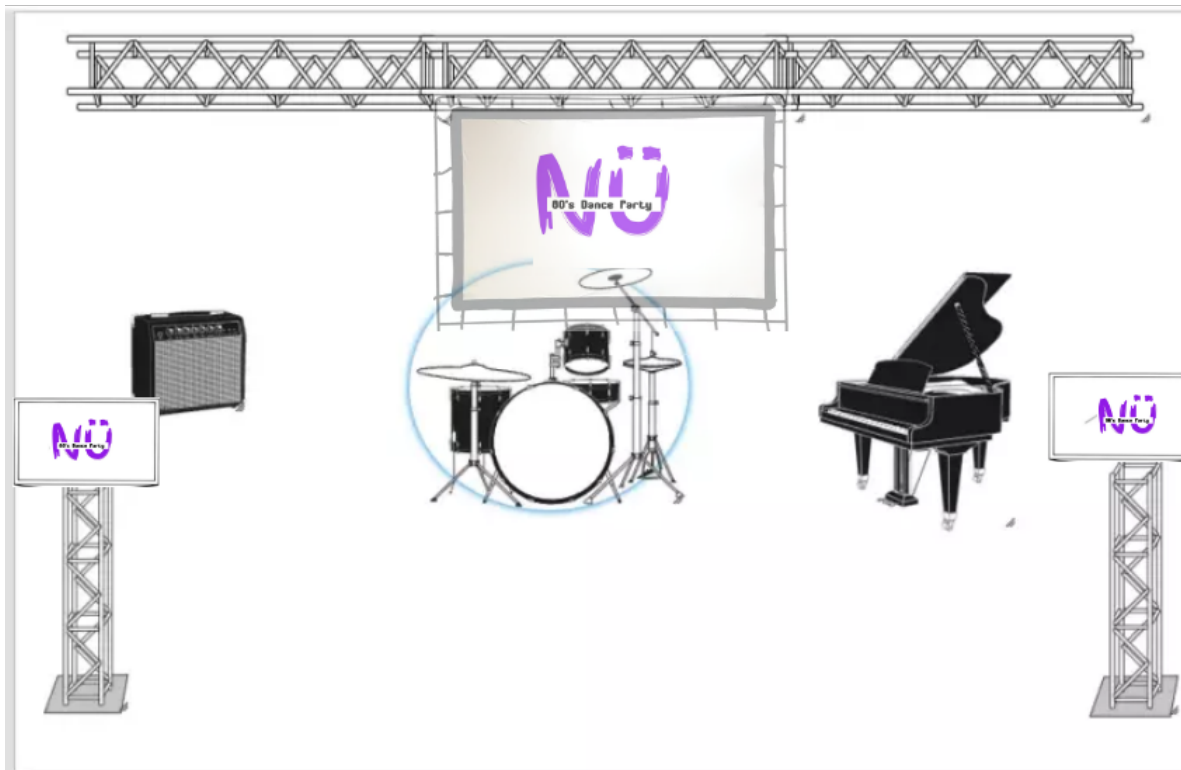

Live Musicians and Hosts

Every selection performed at Nü is played by experienced professional musicians. Nü is hosted by musician and producer Scott Casey, with an impressive resume including Walt Disney World, Universal, Carnival and Royal Caribbean.

The Band and Production

Nü is available from a duo all the way to a 6 piece full show band. We can provide turn-key production including sound, lights and video. We can also work with your existing production. Give us a call today to see how we can make your next event a huge success!
